Policy and Regulatory Considerations

Autonomous Vehicles
SB 213

• Permits autonomous vehicles on CO roads
• Statewide issue
• Vehicles comply with all state and local traffic laws
• Autonomous Vehicle Task Force
Autonomous Mobility Task Force (CDOT, CSP, DMV, AG)

- Provide policy direction
- Monitor federal rules and regulations
- Approval to deploy autonomous technology
Policy Considerations

Federal legislation

What is the role of the states?
• Licensing and registration
• Public safety
