	4. Safe Installation and Removal of TTC Devices Training (ATSSA)	1 online training	February 2028
	5. High-Visibility Safety Apparel in Work Zones Training (ATSSA)	1 online training	February 2029

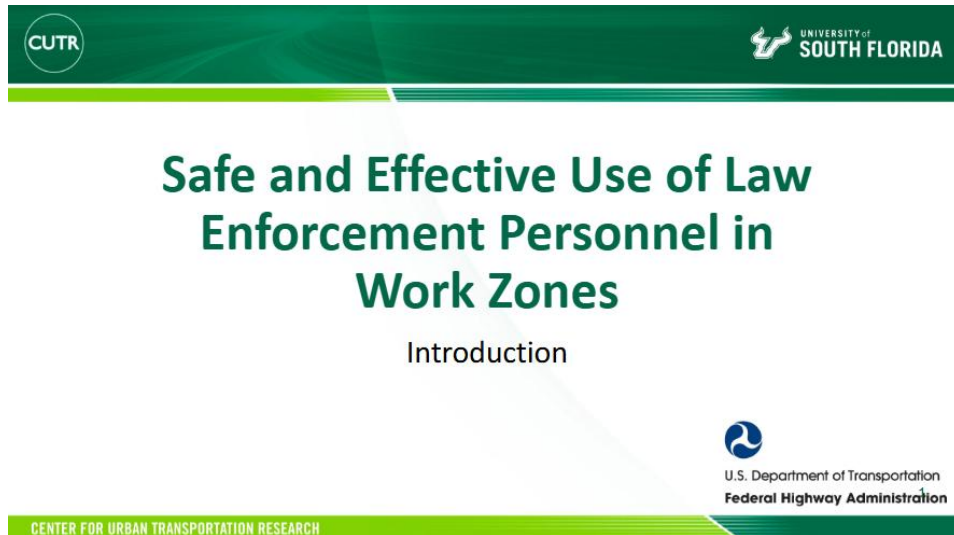

Safe and Effective Use of Law Enforcement Personnel in Work Zones (FHWA) – February 2025

Registrations: **521** | Attendees: **386**

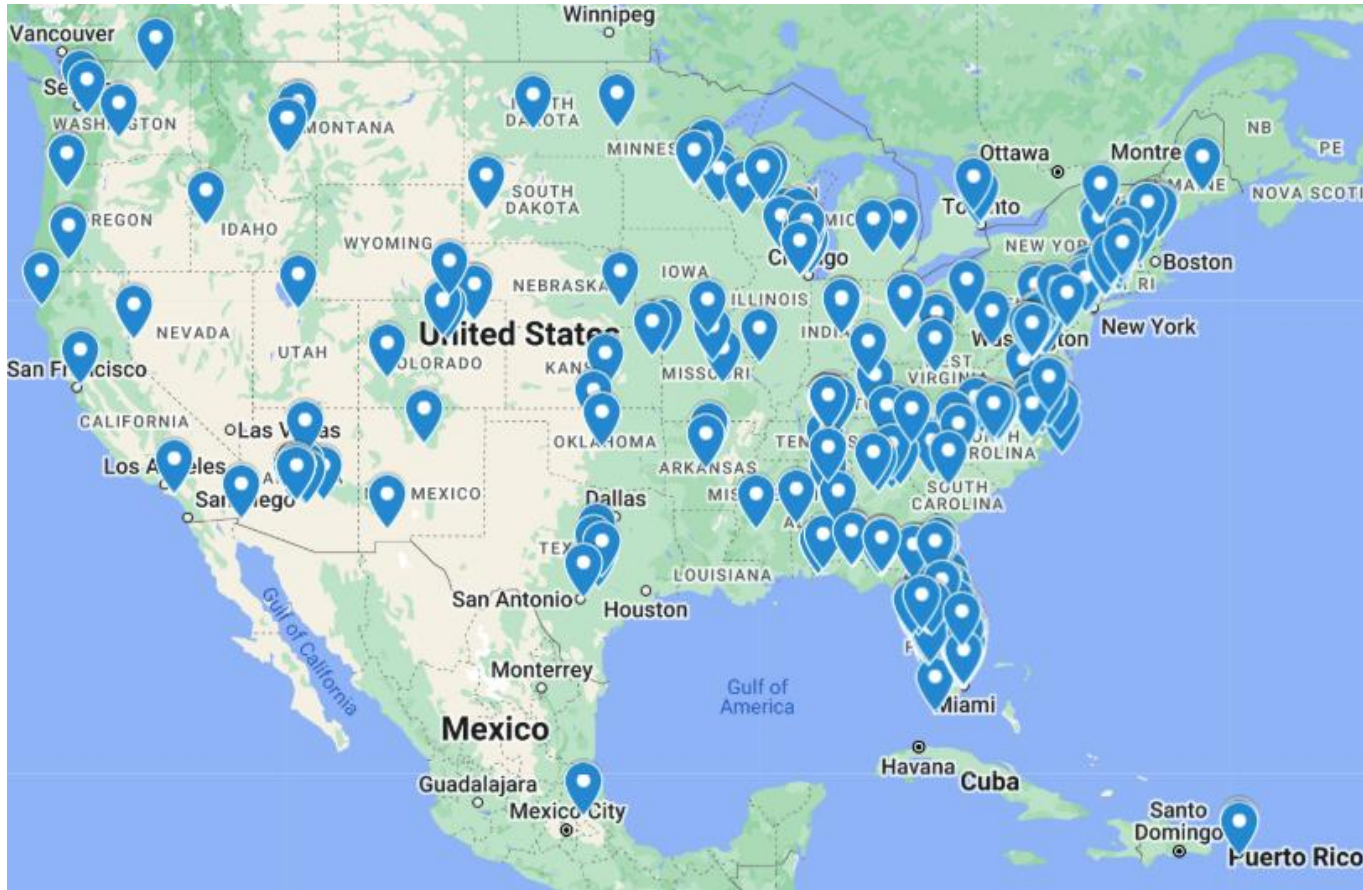

How would you rate this webinar? **8.9 / 10**

How helpful was the content presented at this webinar? **8.9**

How would you describe the level of the session on fitting your level of experience? (Too Basic, Just Right, Too Advanced) **89% said just right**

Safe and Effective Use of Law Enforcement Personnel in Work Zones (FHWA) – February 2025

Upcoming Training

- **Queue Protection Trucks in Work Zones**
 - 1 online training
 - 1 classroom-based training
 - Registration coming soon!
- **Fall Prevention Use for Transportation Construction Course (ARTBA)**
 - 1 online training
 - Registration coming soon!

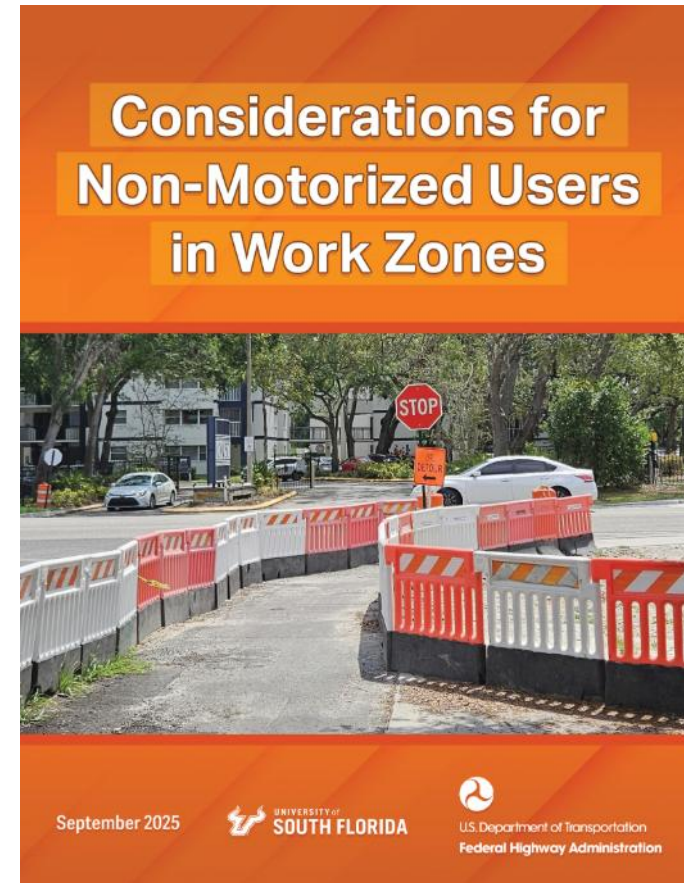

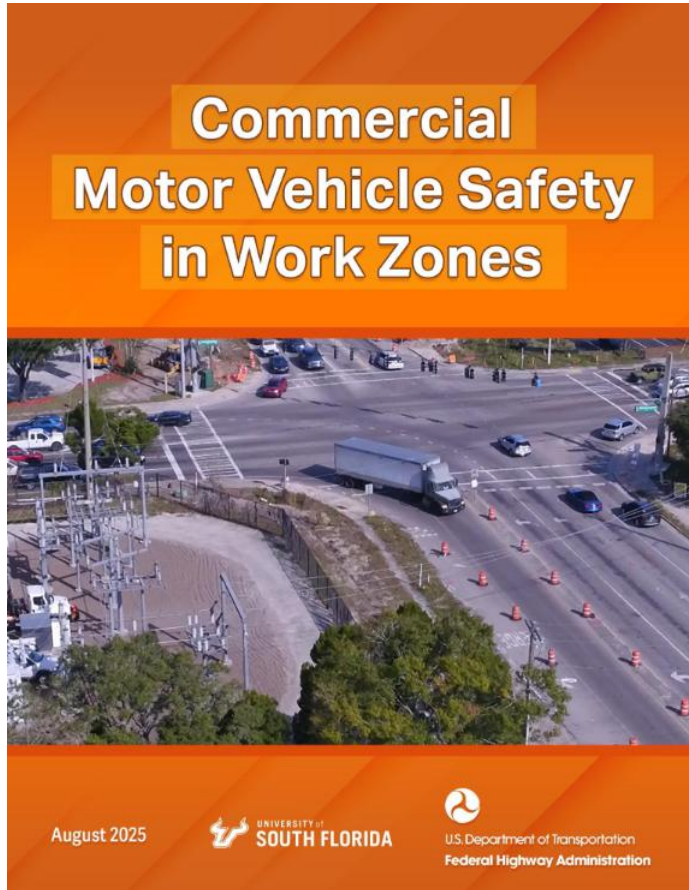

Area 2 Task Update

(Highway Work Zone Safety Guidelines Development)

Area 2 - Highway Work Zone Safety Guidelines Development

Area 2 New Guideline Development		Deliverables and Formats	Deliverable Schedule
New Guidelines	1. Commercial Motor Vehicle Safety in Work Zones	Guideline report	October 2025
	2. Considerations for Non-Motorized Users in Work Zones	Guideline report	October 2025
	3. Applying Context-Sensitive Roadway Design to Work Zones	Guideline report	February 2026
	4. Motorcycle Safety in Work Zones	Guideline report	February 2026
	5. Emerging Data and Innovative Strategies for Work Zone Management	Guideline report	August 2026

Guidelines Documents Nearly Final

Area 3 Task Update

(Highway Work Zone Safety Guidelines Training)

Area 3 - Highway Work Zone Safety Guidelines Training

Area 3 New Guideline and Existing Guideline Course Training		Deliverables and Formats	Deliverable Schedule
New Trainings	1. Commercial Motor Vehicle Safety in Work Zones	Training materials	August 2025
		1 online and 3 classroom-based trainings	February 2026
	2. Considerations for Non-Motorized Users in Work Zones	Training materials	August 2026
		1 online and 3 classroom-based trainings	February 2027
	3. Applying Context-Sensitive Roadway Design to Work Zones	Training materials	August 2026
		1 online and 3 classroom-based trainings	February 2027
	4. Motorcycle Safety in Work Zones	Training materials	August 2027
		1 online and 3 classroom-based trainings	February 2028
Existing Trainings	5. Emerging Data and Innovative Strategies for Work Zone Management	Training materials	August 2028
		1 online and 3 classroom-based trainings	February 2029
	1. Work Zone Road Safety Audits	1 classroom-based training	February 2025
	2. Developing Transportation Management Plans for Work Zones	1 classroom-based training	February 2026
	3. Work Zone Data Collection (WZSC)	1 classroom-based training	February 2027
	4. Work Zone Traffic Management Analysis Using Analytical Methods	1 classroom-based training	February 2028
	5. Implementing Safe Work Zone Operations Strategies Training	1 classroom-based training	February 2029

Work Zone Road Safety Audits – March 2025

Upcoming Training

- **Commercial Motor Vehicle Safety in Work Zones**
 - 1 online training
 - 3 classroom-based trainings
 - Registration coming soon!
- **Developing Transportation Management Plans for Work Zones**
 - 1 classroom-based training
 - Registration coming soon!

THANK YOU!
